Limitation to the extension of tea cultivation.

6. (1) Subject to the provisions of sections 8 and 9, the total area of land in Mysore, in respect of which the permissions referred to in section 5 may be granted, shall not exceed such area as will bring the total area of the land planted with tea in Mysore up to four per cent over the total area of the land planted with tea in Mysore on the date of the commencement of this Act.

(2) Subject to the provisions of sections 8 and 9, the total area of land in Mysore, in respect of which such permissions may be granted, shall be determined by the Government and shall be as near as may be such area as will bring the total area of the land planted with tea in Mysore up to four per cent over the total area of land planted with tea in Mysore on the date of the commencement of this Act.

(3) The Government shall publish the total area so determined by notification in the official Gazette as soon as may be after the commencement of this Act and shall in like manner publish any subsequent variation of such total areas.

7. (1) Applications for permission to plant tea on any land not planted with tea on the date of the commencement of this Act shall be made to the Government not later than six months from the commencement of this Act and shall contain a clear statement of all special circumstances justifying the application.

(2) The Government may require an applicant to supply such information as it thinks necessary to enable the Government to deal with the application.

(3) Subject to the limits laid down in section 6 and to any rules made in this behalf by the Government, the Government may grant or refuse the permission applied for, or may grant it in part only, or may call for further information from the applicant:

Provided that permission shall not be granted in the case of any tea estate owned by a limited liability company if the area planted with tea in the estate exceeds three hundred acres, or in the case of any tea estate owned by an individual proprietor or proprietors if the area planted with tea in the estate exceeds one hundred and fifty acres.

8. (1) Where any land which was on the 31st day of March, 1933, planted with tea (including land planted with tea on the 31st day of March, 1931, from which the original bushes had been uprooted and which had not been re-planted with tea at the said 31st day of March, 1933), or where any land planted with tea after the 31st day of March, 1933—

Grant of permission to plant tea in special circumstances.

(*a*) has since become wholly incapable of carrying tea through circumstances due to war conditions or through subsidence, flood, erosion, earthquake or other irresistible superhuman cause; or

(*b*) has since been compulsorily acquired under the provisions of the Mysore Land Acquisition Act, 1894, or of any other law for the time being in force, and no longer carries tea; or

(*c*) has since been resumed by the lessor under the terms of any lease and no longer carries tea;

the owner of the tea estate in which such land was situated may apply to the Government for permission to plant tea on land not planted with tea.

Explanation.—Land taken for purposes connected with the prosecution of war on which tea bushes have been allowed to remain for protective purposes, though no longer cultivated, shall be deemed, for the purposes of this sub-section, to be incapable of carrying, or no longer to carry, tea.

(2) Upon such application being made and upon proof to the satisfaction of the Government that the applicant is entitled to the benefit of sub-section (1), the Government may grant permission to plant tea on land not planted with tea:

Provided that the area of land, in respect of which such permission is granted, shall be within the same or an adjacent district and shall belong to the same or an adjacent tea estate and shall not exceed in extent the area of the land incapable of carrying tea or compulsorily acquired, as the case may be.

(3) All areas of land, in respect of which permission to plant tea is granted under this section, shall be excluded when computing for the purposes of section 6 the total area of land in respect of which the permissions referred to in section 5 may be granted.

(4) If any land falling within the explanation to sub-section (1) is subsequently restored to the tea estate from which it was subtracted, the owner of the estate shall either uproot the tea planted thereon, or uproot any tea planted by him in pursuance of a permission granted under sub-section (2).

Tea Nurseries.

9. (1) Subject to the provisions of sub-section (4), the owner of a tea estate may establish nurseries on land not previously planted with tea for the growing of plants intended for infilling or supplying vacancies, or for replanting land planted with tea within the area of the estate, or for any other purpose approved by the Government.

(2) All areas of land utilised for nurseries in accordance with this section shall be excluded when computing for the purposes of section 6 the total area of land in respect of which the permission referred to in section 5 may be granted.

(3) The Government may at any time serve by post a notice upon the owner of any tea estate, or upon

his manager, requiring him to furnish within such period, not being less than thirty days, as may be specified in the notice, such returns relating to the area of the land utilised for nurseries as it may deem necessary.

(4) If any return required under sub-section (3) is not furnished within the period specified in the notice or, if in the opinion of the Government, the total area of the land utilised for nurseries is excessive, the Government may make such restrictive or other orders as it deems necessary and, in particular, may order uprooting of any bushes planted on any such land.

Power to call for returns and to inspect.

10. (1) The Government may at any time serve by post a notice upon the owner of any tea estate, or upon his manager, requiring him to furnish within such period, not being less than thirty days, as may be specified in the notice, such returns relating to the cultivation of tea on the estate as it may deem necessary.

(2) Any person authorised by the Government in this behalf may, at any reasonable time, enter upon and inspect the lands of any tea estate and may require the owner of the estate to produce for inspection any records of the tea estate in his control or custody relating to the cultivation of tea on the estate.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V and VI should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919 in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. & S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.
